

Thank you so much for joining us for the annual Wyoming Foundation for Cancer Center Gumbo Cookoff competition! The event is an amazing open-air cookout with live music, beer and plenty of games for the family. Plus, all the proceeds go to a good cause!

We will have a judges training date and location to be determined where we will walk the judges through our rules. All teams are welcome to attend this meeting.

All teams should attend the Team Auction/Calcutta Friday night May 31st. We will have a potluck so bring anything you want to share before our Team Auction/Calcutta. Each team will be auctioned off and half of the proceeds will go to the bidders for the winning teams and the other half will go to the Wyoming Foundation for Cancer Care to support patients through their treatment. This is open to the public so please invite friends, family, co-workers etc. to come and enjoy and bid on their favorite team.

The gates will open at 2:30 Friday afternoon for gumbo teams to pull RV's, tents and start setting up!

Teams must turn in their samples by 11:00 on Saturday June 1st to the WFCC booth at the front gate in a provided 32 oz clean non marked container.

1. **Mandatory:** 1 member from each team must attend the cooks meeting Friday night at 6:00 p.m., the Calcutta will be held just after along with the potluck.
2. Once your meat/seafood products have been inspected, you may begin to prepare/cook your gumbo!
3. All gumbo ingredients are from scratch including the ROUX (no commercial gumbo mixes) & all ingredients must be added on site and in a raw form, BUT all may be chopped and cut ahead of time.
4. Must be cooked in the open. (No cooking in RV's or enclosed tents). The head cook is responsible for the conduct of their team members and compliance with the rules & regulations herein set forth. (Four \$10 passes will be included in the entry fee.)
5. The head cook will be responsible for ensuring the booth area is kept clean and the teams responsible for their own garbage.
6. Must keep utensils separate for seafood and/or meat gumbo, as some people may have food allergies. Required by the Health Department
7. No rice or fillers in the judges' cups, but after the judging sample has been turned in feel free to serve rice, or any items you desire to the public for People's Choice Award.
8. No marking on or in judges' cups such as: name on the cup, shrimp tails, shells, cream on top, large "chunk" of meat/seafood, claw, design, etc. ANYTHING that would be considered added flare—there will be more discussion at Friday's meeting.
9. Must prepare a minimum of 10 gallons (appx the amount of an 2 average roaster oven) per flavor of gumbo. You must have at least 32 ounces to turn into the judges for blind judging. It is recommended that you cook a minimum of 10 gallons, as those who have more gumbo will receive more people's choice votes.
10. No registered judges allowed in cooking area Saturday morning before turn in. Failure to follow the rules will be grounds for disqualification.
